

Cutting Chart-12" finished, 12 ½ " unfinished
is the first number the second number in the parentheses is for a 9 " finished, 9½ " unfinished.

Background 

A: Cut 8[2 ½ " (2")]
squares

B: Cut 4 triangle shapes using your Tri-Recs ruler from a [4 ½ " (3 ½ ")] strip

Fabric #1 

A: Cut 6[2 ½ " (2")]
squares

Fabric #2 

C: and C reversed: Fold a strip with right sides together and cut 4 shapes using the Recs template from your Tri-Recs ruler set. Use a [4 ½ " (3 ½ ")] strip. NOTE: It is important to have the fabric right sides together or wrong sides together to get the reverse shape.

Fabric #3 

A: Cut 6[2 ½ " (2")]
squares

1995 Blue Rhapsody

This quilt used the block pattern 54-40 or Fight. The easiest way to cut the Triangle shapes for this block is to use the Tri-Recs ruler set. This ruler has the advantage of being able to cut the shapes from strips of fabric plus it trims the points of the triangles so they are easier to sew together. The block is presented in two sizes 12" finished size and 9 " finished size.

Sewing Directions.

1. Make 4 patches.
 - A. Make 4 strips using Background squares and Fabric # 1 squares. Sew these units together to make 2 4-patch units.
 - B. Make 4 strips using Background squares and Fabric #3 squares. Sew these units together to make 2 4-patch units.
 - C. Make 2 strips using Fabric #1 squares and Fabric #3 squares. Sew these units together to make 1 4-patch unit.
- 2.. To each side of B triangles sew a C triangle. Remember you have a C and reverse C for each unit. Match your triangles with the trimmed points.
3. Lay out block.
- 4.. Assemble rows, then sew rows together.

Make 3 units

Make 2 units

Make 1 unit
