

# 2005 Stars in the Garden

This quilt had embroidered blocks put together with the 54-40 or Fight block. The embroidered block was done on a snowball block.

This drawing was sized for a 9" block. You can of course use your copy machine to make it larger or smaller. Trace the design on a 10" square of your background fabric. You will then cut it to the correct size after the embroidery. This is a violet, our Illinois state flower, but you could make it whatever colors you want. After embroidering it trim it down to a 9 1/2" size.

Cut 4 squares 3 1/2". Draw a diagonal on the wrong side of each square. Place one square in the corner of your 9 1/2" square. Sew on the diagonal line. Trim and press. Repeat with the other corners.
