

2009 Ocean Odyssey

This depicted an ocean scene with applique under the sea creatures in machine applique with some boat sailing on top of the sea. Here is a paper-pieced boat. It is presented here in a 6" size. If you want a larger one then you can copy it and make it larger on a copy machine by using a percentage over 100%. The seam allowance on the outside will now be bigger than you need, but all you need to remember is to trim it down to $\frac{1}{4}$ ".
